

DELTA 304 LED

IP20

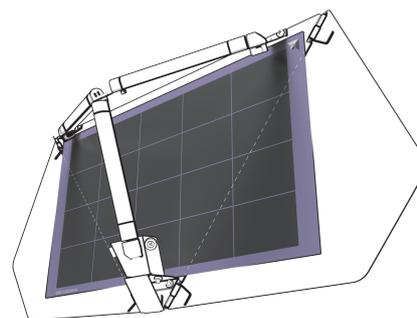

LED
AL4

Effective area:	40~70m ²
Mounting position:	Wall mounting
Input:	220~240V 50/60Hz
Tube:	3xAL4 LED tube
Glue board:	420mmx240mm
Glue board change:	easy sliding out from the side
Quality control:	acc. ISO9001:2015
Quality guarantee:	2 years
Plug:	replaceable various plug USB Type C connector
IP rating:	IP20
Dimensions:	486mmx292mmx152mm
Materials:	ABS, Steel S235JR
Comply with:	EMC/LVD/RoHS/CE

Minimalist design

Three LED tubes attract insects from different angles, efficiently capturing them, while a large glue board traps insects from three sides. The concise design and simple operation minimize both operational and transportation costs.

Front panels can widely open for changing glue board and cleaning.

The use of the widely applied 420mmX240mm rectangular glue board in many insect trap products can reduce the workload for on-site operators
